

**Hire cabins**  
**Rental modular buildings**

# You have temporary space requirements. We create space at once.

## Space solutions to rent

Whether as a single cabin or a complete modular building, for a short rental period or over a longer period: when it comes to temporary rental space, we are your competent partner. A Europe-wide network of depots and cooperations with trading partners guarantee the prompt availability of our space solutions for your individual requirements and use.

### SPACE SOLUTIONS FOR YOUR NEEDS:

- Individual modules, buildings and combinations of portable cabins, sanitary cabins and storage containers possible
- Promptly available – even in larger quantities
- Individual configuration for every field of application
- Various extra equipment options available
- Proven product quality
- Attractive hire prices

# Opportunities

Wherever you need space at short notice:  
the possible uses of our rental modules are diverse.

## SPACE SOLUTIONS FOR ALL NEEDS:

- Ideally suited as an (alternative) office for industry, trade, construction and commerce, as employee accommodation as well as for clubs and events
- Municipal standard in an optimised version – e.g. with increased payloads, optimised thermal insulation and lighting, neutral exterior paint colour grey white, optionally with acoustic ceiling, children's toilet, etc.

# You know your requirements. We offer the right solution.

## Available hire units

Thanks to different sizes and equipment options, our rental cabin and container fleet offers the right space solution for every requirement.
